Thanks for visiting our exhibit at the  
2008 NARHA National Conference.  
See you in Ft. Worth, TX - November 2009

## *Horses Have the Power to Change Lives*

**Aspen Ranch** is an equine-based, therapeutic residential treatment center for troubled adolescents, where horses and healing go hand-in-hand.

At Aspen Ranch, students learn valuable life skills through their interaction with horses including patience, confidence, responsibility and healthy communication.

For more information about  
Aspen Ranch and equine therapy,  
contact us today.
